Not Be Silent (Kids' Club) [G]

[Default Arrangement]

```
C                          G        D
We will not be silent (We will not be silent)
C                          G        D
We will not be silent (We will not be silent)

Em  C              G
    All of the earth, clap your hands
Em  C                 G
    Trees of the field, take a stand
Em              C         G
    If the world is quiet, we will shout
Em              C         G
    If the world is hiding, we'll cry out

C                      G
You came, you saved
        D/F#                C
You conquered hell and death
 C                  G
You are, you reign
           D
And it's more than enough

C                          G        D
We will not be silent (We will not be silent)
C                          G        D
We will not be silent (We will not be silent)

All of the earth, stand and sing
Every creature, meet your king
If the world is quiet, we will shout
If the world is hiding, we'll cry out

We will not be silent (We will not be silent)
We will not be silent (We will not be silent)

             C                         D
We won't fear the fight, you are by our side
             C        G              D
For your name we live, for your fame we call
out

We will not be silent (We will not be silent)
We will not be silent (We will not be silent)
