DATE

Moses and the Red Sea

LESSON TITLE

Exodus 13-15

WHERE TO FIND IT

God rescues his family.

MAIN POINT

## schedule

### First 10 minutes of the service hour:

Engage kids in cooperative play activities to help them connect to other kids

**Next 5 minutes:** Connect Time

**Next 25 minutes:** Large Group

**Last 25 minutes:** Snack and Small Group

## tips

When kids are upset or demonstrating destructive behavior, sometimes it can help to take them aside, get down on their level, make direct eye contact and ask, **“What do you need right now?”** It can help you connect much better and faster than simply saying, “No!”

## check-in/out

As kids leave, ask them about the game they played, and how they walked through the “Red Sea”!

## large group heads up

Today’s story is about one of the times God delivered his family by parting the Red Sea. It’s pretty remarkable. If kids begin to grasp the idea that God loves to rescue his people, hopefully as they get older, they’ll be able to recognize how much he wants to rescue them too!

## connect time

**GOAL:** *Connect time is all about engaging kids in a short, interactive game to prepare them for Large Group.*

- **Clean up! (10 minutes after the service start time, when you get the 5-minute warning from the presenter)**
- Line up.
- **SAY:** God rescued his special family, and he wants to rescue us too!
- Have kids pretend to do the following actions that they need to be “rescued” from. (After doing the first action for a few seconds, have kids get “rescued” with the action in parenthesis):
  - Swimming in the ocean with big waves all around us. (Now let’s all climb on a boat to be rescued!)
  - Running away from a big furry bear! (Now let’s all climb up a tree to be rescued!)
  - Standing on our tip toes so we don’t get near any bugs. (Now let’s catch all the bugs in our hands and pretend to throw them outside!)
  - We’re asleep and having a bad dream. (Now let’s all wake up!)
  - If you have more time, make up new scenarios or let kids share ideas!

**As you walk into Large Group, encourage kids to put on their listening ears! Remind them that HOPS will be showing us how we should act in Large Group, so we have to listen!**

## instructions

**Goal:** Kids will (1) understand how God used Moses to help rescue his family, the Israelites, and (2) recognize that God wants to rescue us too!

**Why?** This story is truly incredible! God made a way for his family when it seemed impossible. It's never too early to help kids recognize God's awesome power and amazing miracles!

**Tip:** Today's activity is interactive, so be sure to get involved and have fun along with kids!

### REVIEW THE STORY

1. What important job did God have for Moses? (Lead people out of Egypt.)
2. When Moses asked Pharaoh if God's family could go, what did Pharaoh say? (No!)
3. After God's warnings, did Pharaoh finally let God's people go? (Yes!)
4. What got in the way of God's people when they were walking? (They came to the Red Sea and it was too deep to cross.)
5. How did they get across the Red Sea? (God made a path right through the middle!)
6. Once God's family made it across on dry land, what happened to the Red Sea? (It went back to normal and swallowed up Pharaoh and his army.)

### MAKE IT PERSONAL

- Have kids line up on one side of an open area, and lay down a line of **two pieces of tear-off paper** on the floor in front of them in the line (so the kids and two papers form a "T" shape). Then tell kids that the paper is like the Red Sea that Moses and the Israelites had to cross!
  - Two volunteer should each take one of the papers and pull them apart to reveal an "opening" in between, where kids will walk across.
  - Hold the papers up vertically so that they form a wall on either side of the area that kids walk through; and shake the papers as if they are "waves"!
  - Let kids take turns walking through the opening while doing different funny actions: Jump, skip, take baby steps, dance, crawl, act like a chicken (or any other animal), twirl, walk sideways, walk backward, hop, etc.
- When kids get to the other side, say, "God rescued his family!"

(Continued on following page.)

*Extra time? Give kids a **coloring sheet**. After that, play the Connect Time game again and have kids pretend to do scary things and then get “rescued”!*

## special notes

Today we're using four pictures to help kids visualize what happened. This story is pretty wild, so make sure you fully utilize the visual tools!

## presenter tips

The script is a bit longer than normal because we don't have a story video, which means you'll be telling more of the story yourself!

### WELCOME AND INTRO

**Main Goal:** Review the beginning of God's story and rescue plan.

**Notes:**

- **\*Click to play intro music.**
- **Say:** Hi Friends! Welcome to Kids' Club. I'm \_\_\_\_\_ and I'm really glad you're here today. Before we get started, I want you to meet my friend HOPS.
- **Video: HOPS Share with others!**
- **Say:** (Holding up the **Bible**.) *This* is God's story. Out of all the stories in the world, this is the most important. Do you know what it's called? (Let kids respond "the Bible".) That's right, the Bible! It's God's Rescue plan. It shows us how He rescued us from all the wrong things in the world.
- **Say:** In the beginning, God made the whole world and everything in it. He created the sun and the moon, the water and the land, the plants and the animals, and people like you and me! Everything was good. Give me a big thumbs up! (Let kids respond. Then change your tone.)
- **Say:** But THEN, something bad happened. Adam and Eve disobeyed God, and all the wrong things came into the world. Things like sadness and death. Show me your sad face. (Let kids respond.)
- **Say:** Even though Adam and Eve disobeyed God, God loved them anyway! He planned a great rescue so that Adam and Eve, and you and me, could be close to God again! Do you know who the Rescuer is? (Let kids say: Jesus!)

### GOD PLANS TO RESCUE HIS FAMILY

**Main Goal:** Introduce God's rescue plan.

**Notes:**

- **Say:** God planned to send the Rescuer, Jesus, through a family! But even before Jesus came, God's family got into a lot of trouble. Say, "Oh no!" (Let kids respond.) They needed a rescue!
- **Say:** The good news is, God loves to rescue his people! And today, we're going to learn about how God rescued his family through Moses. Can you guys say, "Moses?" (Let kid say: Moses.) Good job!

### PHARAOH SAYS NO

**Main Goal:** Introduce the Pharaoh and understand why he refused to let God's people go.

**Notes:**

- **Say:** God told Moses to go to Egypt and see Pharaoh—the king of Egypt. Can you say, "Pharaoh"? (Let kids respond.) Pharaoh was forcing God's family to work as slaves. Can you show me a sad face? (Let kids respond.)
- **(Click to show image of Pharaoh.)**
- **Say:** Moses told Pharaoh, "God says to let his people go." But Pharaoh was stubborn and he didn't listen to God. He said, "NO!"
- **Ask:** Can you guys all say, "No"? (Let kids say, "No!") Great job. Because Pharaoh said, "No!", God sent 10 warnings called plagues. Let's all count to 10 on our fingers! (Count to 10 along with kids.)
- **Say:** Ten times, Moses said, "Let God's people go!", but Pharaoh kept saying, "No!" Was that very nice of the Pharaoh? (Let kids respond.) Nope, it sure wasn't.

### PHARAOH SAYS YES

**Main Goal:** See how God's family was finally freed, but came to a huge obstacle—the Red Sea!

**Notes:**

- **Say:** Well, finally, Pharaoh realized that God was going to rescue his family no matter what. And the 10th time Moses asked if God's family could go, Pharaoh said...YES! Can you all show me a happy face? (Let kids respond.)
- **Say:** God's family was finally free! Everybody yell, "Hooray!" (Let kids yell, "Hooray!") They all packed up their things and began to leave Egypt. Remember, back then there weren't any cars, so they had to walk out of Egypt. Everybody stand up! (Let kids stand.) Let's pretend we're walking out of Egypt. (Respond along with kids by walking in place for a minute.)
- **Say:** Whew! Let's all sit for awhile (Let kids sit.) God's family had to stop too because they reached the Red Sea.
- **(Click to show picture of the Red Sea.)**
- **Say:** The Red Sea was way too deep to cross! They didn't know what to do.

### PHARAOH CHANGES HIS MIND

**Main Goal:** See how Pharaoh chased God's family and tried to catch them again!

**Notes:**

- **(Click to show image of Pharaoh's army.)**
- **Say:** But then....something horrible happened! Pharaoh decided that he didn't want to let God's family go. He decided that he was going to go and get them back! Pharaoh gathered a whole army with lots of horses, and they started chasing after God's people.
- **Say:** Everybody stand up! (Let kids stand.) This time, let's pretend we're on horses. (Respond along with kids, "trotting" in place.) Great job! Now you guys can sit down. (Let kids sit.)
- **Say:** Pharaoh and his army were getting closer and closer to God's family. Meanwhile, God's family was stuck. They had to stop because they couldn't cross the water. Everybody say, "Oh no!" (Let kids say, "Oh no!")

### GOD CLOSES THE SEA

**Main Goal:** See how God rescued his family through his amazing power!

**Notes:**

- **Say:** Well guess what? God did a miracle after that. He made a dry path RIGHT through the middle of the sea!
- **(Click to show image of people walking through the water.)**
- **Say:** The people walked through—and they didn't even get wet! God's family made it safely through to the other side. Everybody give me a thumbs up! (Let kids respond.)
- **Say:** God didn't want Pharaoh to get to Moses and the Israelites, so He closed up the sea. Now Pharaoh and his army couldn't get through. Finally, God's family was free! Everybody say, "Hooray"! (Let kids say, "hooray!") Great job. Now let's pray and thank God for rescuing his family!

### WRAP UP AND WORSHIP

**Main Goal:** Help kids interact through prayer and worship!

**Notes:**

- **Pray:** (Break into small, repeatable phrases.) Dear God, Thank you for rescuing your family, and thank you for rescuing us. Aaaa-men!
- **Set up worship:** Are you glad that God rescued his family? (Let kids respond.) Me too! Let's show God how thankful we are by worshipping him with some songs!
- **Song: King of the Jungle**
- **Music Video: Come With Me**
- **Song: Thank You Lord**

*Dismiss kids to small groups. (Be creative as you dismiss them. Ask them to come give you a high five first, or maybe tiptoe or hop--like Hops--to their groups.)*
